

## Sign Up!

- 1 It's simple - just designate a Milk Moola/Donuts to Dough coordinator for your school or organization. Then, go online to [www.milkmoola.com](http://www.milkmoola.com) and sign up. You will receive a Milk Moola/Donuts to Dough kit that contains everything you'll need to get started: posters, letters to parents and a redemption box for the collection of your milk caps, bag tops and Glazers price ovals.

## Bring them in!

- 2 Bring in as many caps and bag tops from your favorite Nature's Touch™ items and price ovals from Dozen or Half-Dozen boxes of Glazers® donuts as you can. Then, drop them off at your designated drop box, and whatever your school or organization needs can be purchased with the cash you earn!

## Turn the caps, bag tops and price ovals into cash!

- 3 It's so easy. For every Milk Moola cap or bag top you turn in, your school or organization earns 5¢. Every Glazers Dozen or Half-Dozen price oval earns your school or organization 10¢! There is no limit to the cash you can earn. Any questions, call our Milk Moola Hotline at 1-800-505-5157.
